

## **PRODUCT NOTES and WARRANTY INFORMATION SV3Power Products, LLC**

**Thank you for your purchase and for supporting the MR2 community!**

**ABOUT SV3POWER** SV3Power Products are built in the USA by a fellow AW11 owner. Wherever possible, parts and components used are made in the USA. Your purchase helps support current and future AW11 product development. Please share any questions or suggestions you have to help improve this product and/or other products you would like to see developed for the first generation MR2. Current products can be viewed and ordered at [www.sv3power.com/store/](http://www.sv3power.com/store/). Updates to the website are made as new parts are developed.

**SAFETY** YOU are responsible for safely and correctly installing and using any items purchased. Please read and follow these installation instructions carefully. Observe all safety precautions. Use jackstands or ramps, chock your wheels, wear eye protection, and use common sense.

**INSTALLATION** The buyer is responsible for safely and correctly installing any items purchased. Please read and follow the installation instructions included with your product.

**PAINT AND PROTECTION** All SV3Power parts are supplied without paint. Mild steel components (flanges) and aluminized tubing and mufflers can be painted or coated for increased protection against corrosion. Stainless components do not require protection but may be painted or coated for appearance if desired. We recommend the VHT FlameProof product line for those who wish to add paint (please observe VHT's curing instructions) or professionally applied ceramic coating for maximum protection and best appearance.

**COMPATIBILITY** SV3Power Products are engineered and configured to be compatible with OEM Toyota products whenever possible. The buyer is responsible for reviewing the Virtual Order Advisor at [www.sv3power.com](http://www.sv3power.com) and asking any questions before ordering to ensure compatibility with all components.

**DURABILITY** As with any aftermarket performance parts, some compromise is made in favor of greater performance. Your parts may not survive the same abuse and neglect an OEM part would. Please use caution when driving on rough or unpaved roads or racetracks.

**LEGAL STATUS** Where applicable, and when specified by the customer, SV3Power Products are built to accept all emissions equipment originally fitted to the vehicle, and the buyer/installer is encouraged to retain that equipment. However, SV3Power Products HAVE NOT passed emissions testing and ARE NOT sold as street legal, EPA-approved or CARB-approved components. Please consider all emissions-related SV3Power Products "off road use only" parts. By purchasing this part the user accepts all responsibility for ensuring its use in a safe, legal, and responsible manner.

**SUPPORT** Most questions can be answered by reviewing the product descriptions in the current online catalog, the FAQ at [www.sv3power.com](http://www.sv3power.com), and/or the product installation instructions included with your order. Please contact SV3Power Products via [www.sv3power.com](http://www.sv3power.com) with any other installation questions or concerns.

**WARRANTY** All SV3Power Products, LLC ("SV3Power") limited warranties are extended to the original purchaser only and are not assignable or otherwise transferable. There are no warranties that extend beyond those stated herein. SV3Power offers no other warranties expressed or implied beyond this limited warranty.

SV3Power warrants its products to be free from defects in material and workmanship at the time they are delivered to the purchaser. Cosmetic or aesthetic issues not affecting product function are not warranted. In

the event of an alleged defect in material or workmanship, SV3Power's responsibility is strictly limited to repair, arrangement of repair by others, or replacement of the defective product. SV3Power has no other obligation expressed or implied.

Final warranty determination and repair/replacement method and other decisions will be in the sole discretion of SV3Power. SV3Power shall not be responsible for; (a) actual or alleged labor, transportation, or other incidental charges; or (b) actual or alleged consequential or other damages incurred by use of any product manufactured or sold by SV3Power. The consumer is responsible for adequately and clearly illustrating the defect in photographs and description. Warranty claims will be rejected if (a) the defect cannot be established by the consumer, (b) the consumer fails to follow correct installation procedures as outlined in SV3Power's installation instructions, (c) the consumer returns the part to SV3Power without prior authorization, or (d) the consumer declines the repair or replacement offer.

SV3Power Limited Warranty specifically does not apply to products, which have been (a) modified or altered in any way; (b) subjected to adverse conditions, such as misuse, neglect, accident, improper installation or adjustment, unusual dirt, water, or other contaminants, corrosion, or faulty repair; or (c) used in other than those applications recommended by SV3Power Products. SV3Power also does not warrant, and disclaims all liability for products used in any racing or other competition activities.

To initiate the warranty process, the consumer must contact SV3Power Products, LLC within 30 days of receipt of the part. Do not return products to SV3Power without prior warranty authorization from SV3Power. SV3Power Products LLC assumes no responsibility for products returned without prior authorization. Do not return products to SV3Power without prior warranty authorization from SV3Power. SV3Power Products LLC assumes no responsibility for products sent without prior authorization.

This limited warranty supersedes all prior warranty statements. This warranty shall apply only within the boundaries of the continental United States.

IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT THIS WARRANTY SHALL BE IN LIEU OF ALL WARRANTIES OF FITNESS AND IN LIEU OF THE WARRANTY OF MERCHANTABILITY AND THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED.
